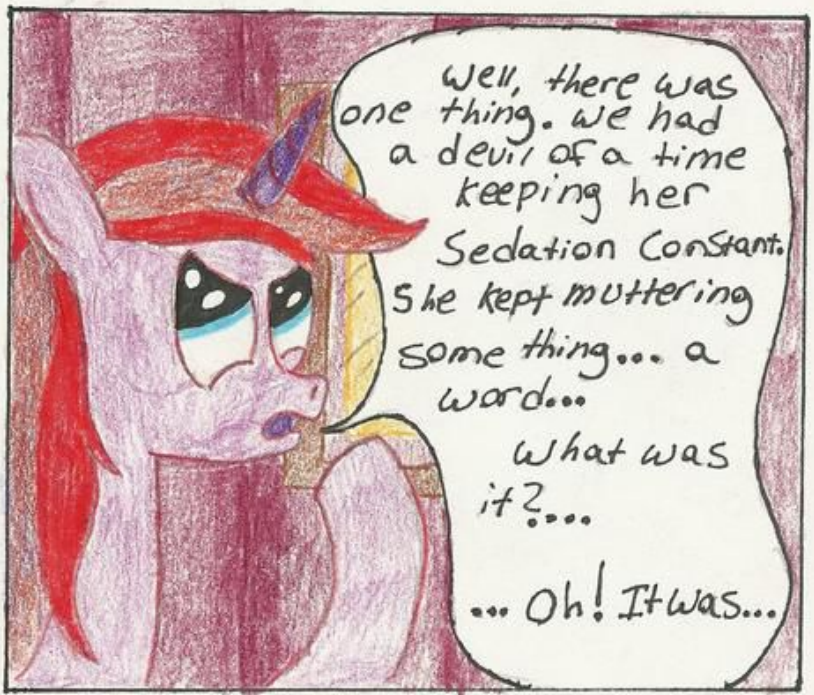
Frankly, your friend is lucky to be alive. I'm going to be blunt with you. We were able to save and replace her missing blood, and fix her injuries. She'll recover, given the time.

Um, Dr. Smythe, Ah think Ah speak for us all when Ah ask: Who d'yah think would do this to Pinkie? Did She say any thing to ya? About what happened?



Well, there was one thing. We had a devil of a time keeping her Sedation Constant. She kept muttering some thing... a word... What was it?... ... Oh! It was...

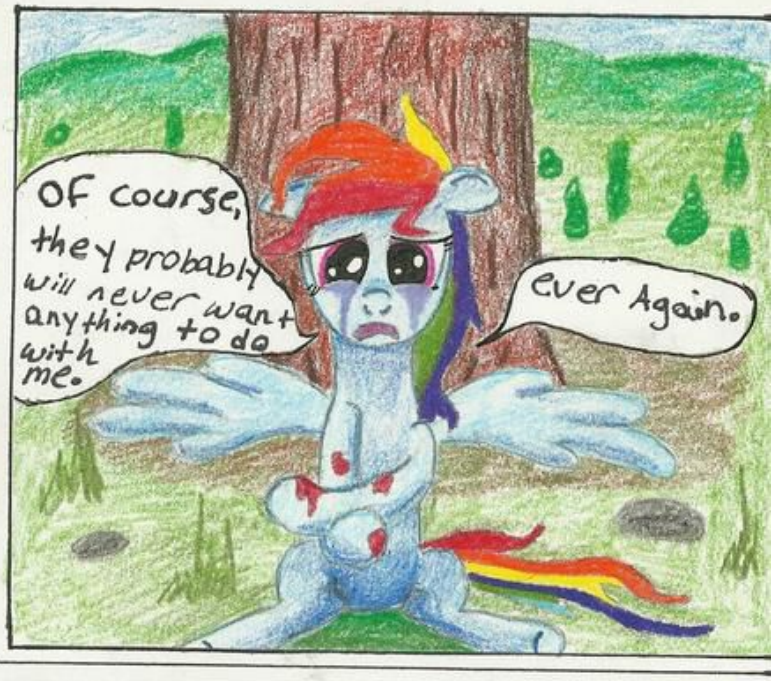
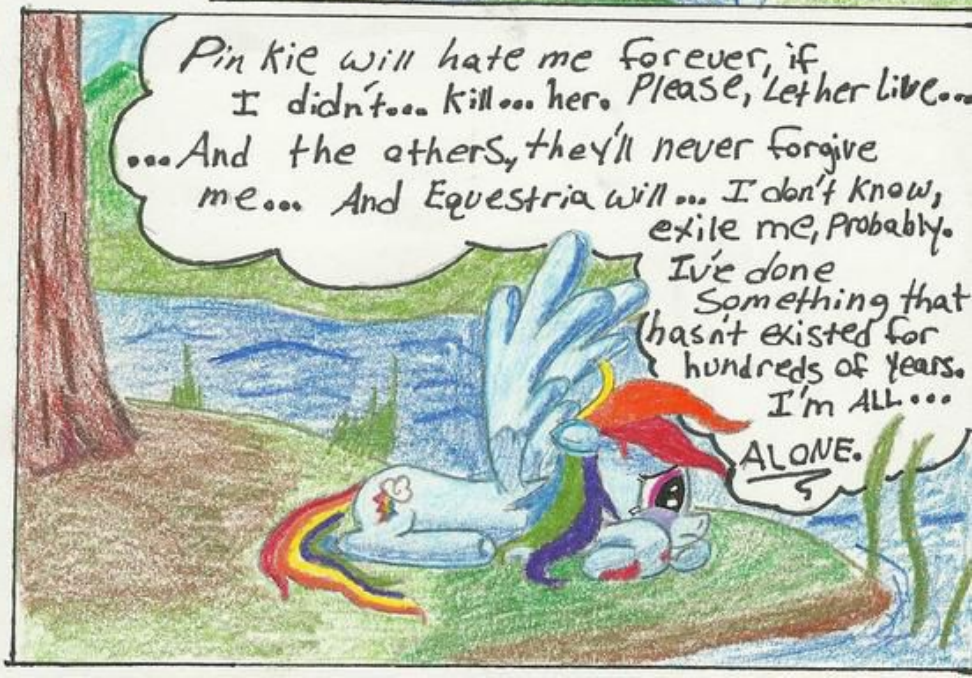
Now 300% Better than RTI Issue #1!





Pinkie will hate me forever, if I didn't... kill... her. Please, Let her live...
...And the others, they'll never forgive me... And Equestria will... I don't know, exile me, Probably.
I've done Something that hasn't existed for hundreds of years.
I'm ALL...
ALONE.

Hey! Twilight! She's over here! You were Right!
Hey! Rainbow!
Yeah, you! Stay Right there!
Don't go flyin' off again!
Rainbow Dash, you made us look all over the place for you. You better have a good explanation, 'cause we have to ask you Something.

You were the ONLY one there when they found Pinkie. You have her blood All over you. Now, Some Ponies are saying you found Pinkie Like that, others that you Attacked her. I think its pretty obvious what happened, actually.
And I'm perfectly inclined to believe what I see.
But, I only have my Suspicions. Twilight and the others Convinced me to find You, and Ask You ourselves.
And, here we are.
So. What'll it be? You wanna talk? You have a brilliant explanation?
Let us hear it. We're all ears, Rainbow Dash.
Come on Dash. You have to say Something.
I... I... don't *sniff*
You don't what? Come on, Speak up.
I... didn't mean to... ...I didn't know...

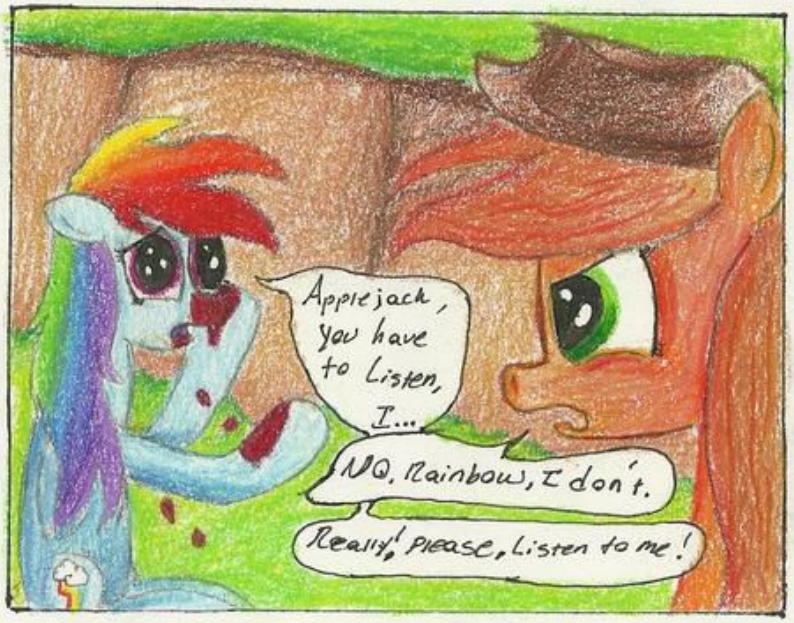
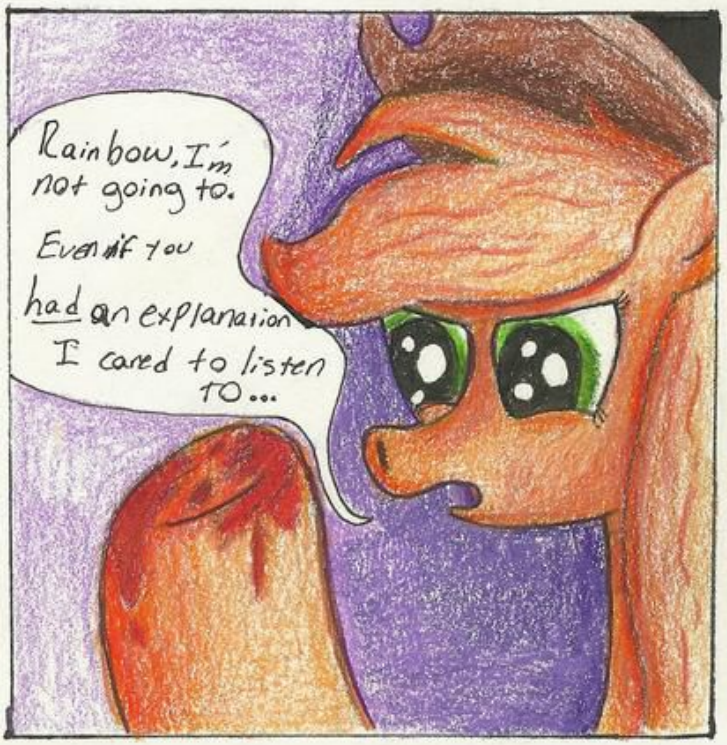
Rainbow... Dash.



Applejack, you have to Listen, I...
NO. Rainbow, I don't.
Really! Please, Listen to me!

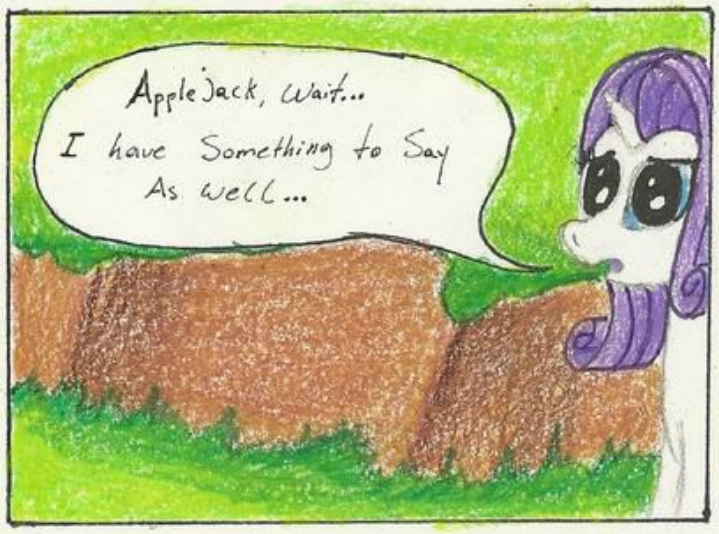


Rainbow, I'm not going to. Even if you had an explanation I cared to listen to...

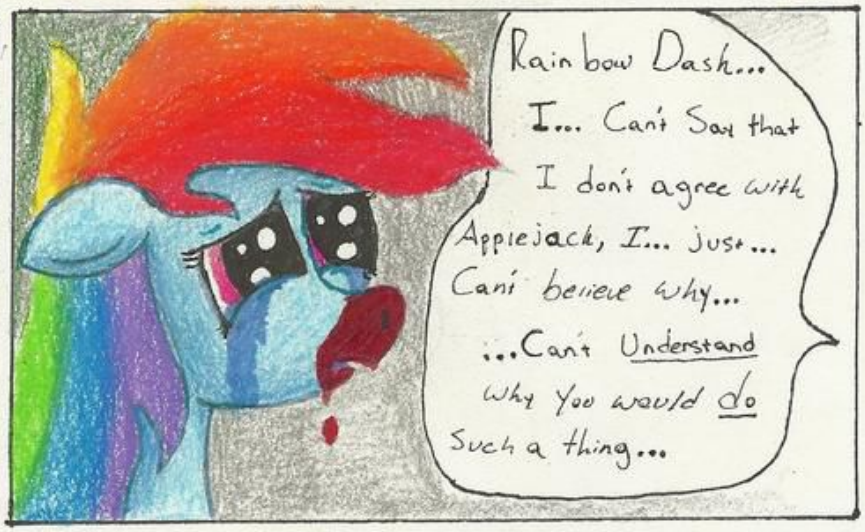
...It wouldn't Change what you did.
B... but, Applejack. Y-you don't Under stand! It wasn't me! I never wanted to-
Dash. Just Stop talking.
But I...

...I can explain! You just need to listen! I-
Rainbow! Stop. Just Stop.
But I can! There's...
RAINBOW DASH!
I asked you to Stop talking, but you don't LISTEN! For Celestia's Sake, don't you realize what you DID? You ATTACKED Pinnie Pie! You almost KILLED her!
And now She's in the hospital, and they're saying She's lucky to be ALIVE! So, excuse me for not wanting to Listen to you, because I don't want to be Associated with a MURDERER Like YOU!

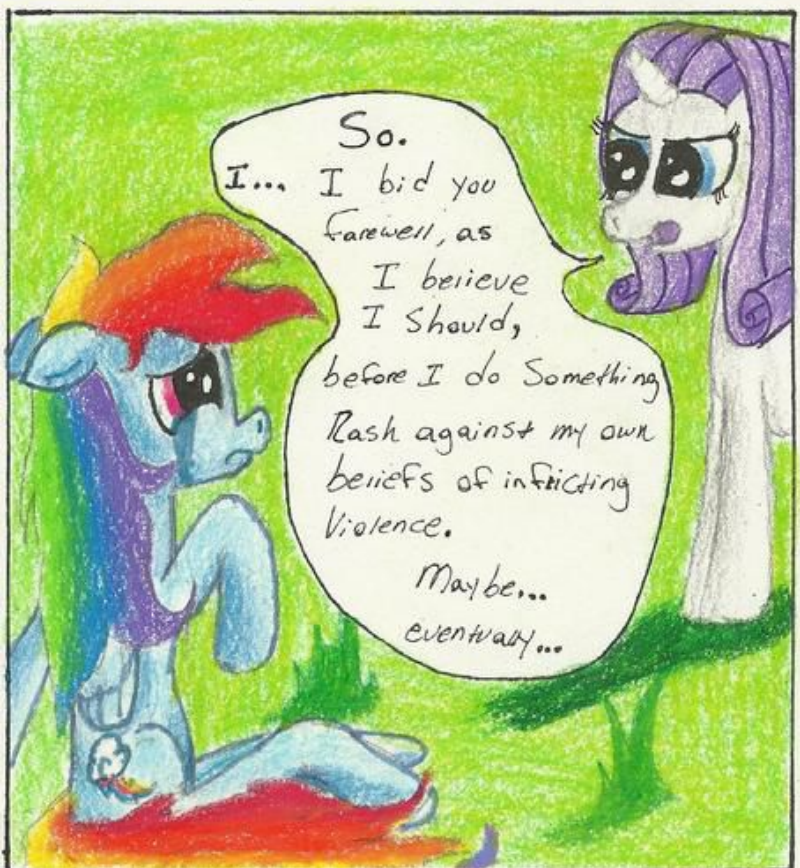
"Sigh"
Rainbow...
Rainbow, I'm going now. I've... had enough.
Enough to last a life time, I think. I don't know... well... -but you see...
A friend... who Attacks another friend...
Is NO friend of MINE.
Goodbye, Dash.



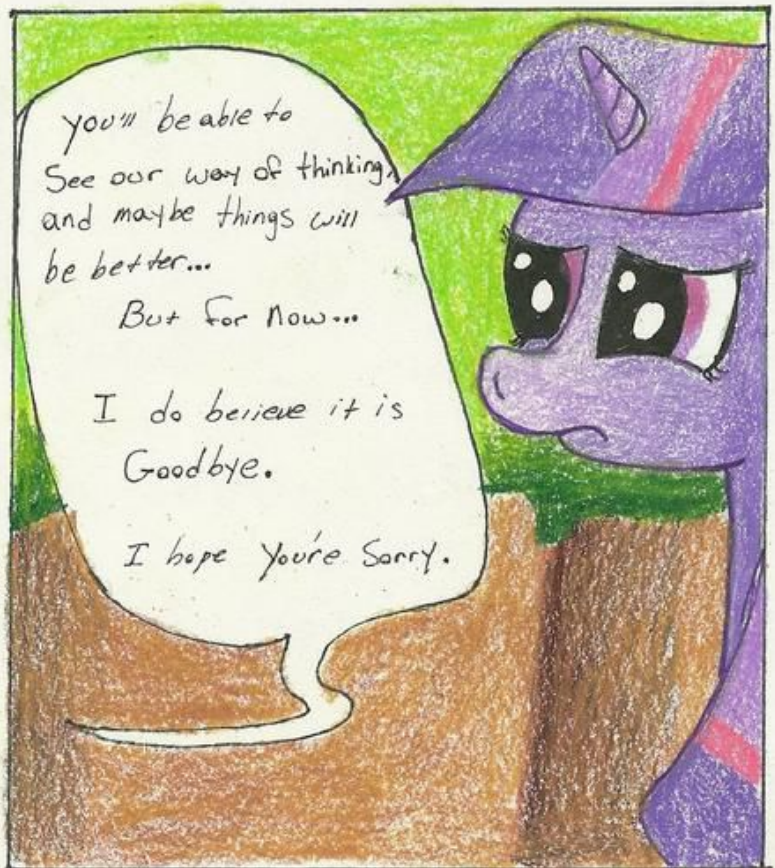
Applejack, Wait...
I have Something to Say
As well...



Rainbow Dash...
I... Can't Say that
I don't agree with
Applejack, I... just...
Can't believe why...
...Can't Understand
why You would do
Such a thing...



So.
I... I bid you
farewell, as
I believe
I Should,
before I do Something
Rash against my own
beliefs of inflicting
Violence.
Maybe...
eventually...



you'll be able to
See our way of thinking,
and maybe things will
be better...
But for Now...
I do believe it is
Goodbye.
I hope You're Sorry.
